Dear Miss Pollack:

Please find enclosed an uncorrected galley proof of our hearings, including a portion of the second day's, the entire third day's and a portion of the last day's.

It may interest you to know that in the future transcripts may be obtained from Ward and Paul in the Earle Building the day following any of our hearings. I point this out not because I do not intend to send you the galleys as I get them, but because I thought you might want the information sooner.

Yours very truly,

Harold Weisberg
